ATTORNEYS WIN BIG WITH MARLEY DRUG PROGRAM

Constangy & Employees Save Hundreds on Prescription Drugs

CONSTANGY
BROOKS & SMITH, LLP
The Employers' Law Firm, Since 1946

Winston, Salem, North Carolina, 10/9/14 – Constangy, Brooks & Smith, LLP, a management-only labor and employment law firm, introduced its team to Marley Drug's Generic Drug Program to reduce costs on prescription drugs without increasing co-pays or limiting access to popular generics.

Marley Drug's Extended Supply Generic Drug Program is designed to reduce expensive drug benefit costs and save employees hundreds on co-pays and deductibles. By facilitating the program into their open enrollment, the transaction is kept directly between employees and the pharmacy, and Constangy does not receive a bill from the pharmacy benefits manager (PBM).

With Marley Drug, a one-year supply of generic Omeprazole 20mg costs the employee a one-time fee of \$70 and eliminates any charge to the employer by the PBM. When submitting a claim, a one-year supply of the same drug costs the employer over \$600.

"It's outrageous how much claims processors charge. By not filing a claim, self-insured companies can save thousands. An employer with 400 employees can save over \$85,000 in the course of a year if all their employees go through Marley Drug. In addition, their employees save hundreds on co-pays and benefit from our extensive list of generic drugs," said Dave Marley, CEO/President of Marley Drug.

Marley Drug's Extended Supply Generic Drug Program offers over 400 generic drugs and is designed to reduce drug spending for patients, employers and their employees. As an independently owned pharmacy, Marley Drug provides free shipping anywhere in North Carolina, South Carolina, Georgia, Florida, New York, New Jersey, Rhode Island, Pennsylvania, Alabama, Colorado, Connecticut, Delaware, Indiana, Kansas, Massachusetts, Missouri, Mississippi, New Hampshire, Ohio, Texas, Virginia, Washington and Wisconsin. Customers have access to call in refill requests 24 hours a day, seven days a week. Marley Drug also carries an extensive line of durable medical equipment, such as wheelchairs, walkers, lift chairs, bathroom safety products and much more.
